**WARNING:** For those who like it truly hot, look no further. We have listed all of our spicy dishes with this icon. The dishes contain any or all of the following: fresh thai chillies, dried thai chillies, homemade thai curry paste, sichuan chili paste & red fresno chillies. We take our hot food seriously.

Please alert your server if you have special dietary restrictions due to a food allergy or intolerance. Please note that peanuts are used in many menu items and can inadvertently find their way into other dishes. Consuming raw materials, raw or undercooked meats, poultry, eggs, shellfish, or seafood may increase your risk of foodborne illness. Ask your server for vegetarian or gluten-free options.

In China and Thailand, there are fresh market restaurants where you first must shop for your food. Our stir fry bar is the same idea.

- 3**
- CHINESE EGG NOODLES** - 'mein,' spaghetti shaped wheat noodles
  - JASMINE RICE** - fragrant long-grain of thailand
  - CHINESE FRIED RICE** - eggs, scallions, soy

## FILL YOUR BOWL

...instead of a little bit of everything, pick one or two feature vegetables, two to four secondary vegetables, and top it with vegetables that season (e.g. chilies, onions, cilantro)

## BOWL TIPS

we suggest filling your bowl to the brim for the best balance of ingredients

- **TOO FEW VEGETABLES IN THE BOWL** = heavy sauce
- **TOO MANY VEGETABLES IN THE BOWL** = light sauce

## CHEF'S CHOICE

SKIP NUMBER 4

relax and never leave the comfort of your seat by ordering our chef's selection of fresh vegetables (snow peas, broccoli, green beans, bok choy, carrots, bamboo shoots, bell peppers, bean sprouts)
