CITY WINERY WINES ON TAP

Straight from the barrels in our cellar. No bottles, no labels, no corks. Rather than put wine into a bottle when it is ready, we put it into stainless steel kegs after every pour and preserve it with a thin layer of argon gas, keeping every glass fresh, without waste. We take great pride in sourcing our grapes from some of the finest vineyards in the world and want to give you a world-class, expressive taste in every glass. Cheers.

– Michael Dorf, Founder & CEO
– David Lecomte, Chief Winemaker
– Robert Kowal, Winemaker

CHENIN BLANC - SAVENNIERES

From these Kimmeridgian soils springs a wine like no other: expressive yet reserved, honeyed yet uncompromisingly dry, captivating yet not so interested in being caught. A wine that makes you chase it. Bites back. The mineral energy is terrific, the body is plump yet precise, the fruit is chalky and sweet-tart, and the finish is riddled with herbs like tarragon. Expressive of place with depth and presence. Striking.

ORANGE WINE

The term "orange" describes wines made with white grapes whose juice is left in contact with its skins. This gives the wine a tinge of coppery pink / orange color, which is deeper than most rosés. Orange wines are rare, always handcrafted, and often expensive. Be edgy. Drink like a hipster-sommelier wine nerd.

BIG TABLE FARM

Big Table Farm is a collaborative effort between Brian Marcy and Clare Carver. A winemaker. An artist. Nestled in the Willamette Valley, Big Table Farm is a beautiful vineyard site and functional farm. Clare's animals include pigs, sheep, cows, and chickens. Brian has space for wacky projects. Every moment of farming and winemaking is done by hand. Much love goes into the bottle...and sweat, and perhaps some curse words and exclamations of joy. Their table is always set for guests, and they grow and produce what they love to eat, drink, and share.

RIDGE - MONTE BELLO

In the early 1960s, Ridge reclaimed a 125-year-old vineyard, *Monte Bello*, which lay dormant during the Prohibition era. Though born to the world of modern California winemaking, Ridge relies on tradition rather than technology. The viticulture is sustainable and almost entirely organic. Each vineyard is a separate site that shows distinct character and quality.
