ABOUT US

Doc Ryan's is an Irish Pub located in the heart of Forest Park. Madison Street has been home to the most incredible nightlife in the Western Suburbs, and at Doc Ryans you'll be in for an unforgettable evening at one of our four bars. Thursday, Friday, and Saturday starting at 10pm we have a live DJ spinning all the newest hits and an open dance floor. We also have Darts, Pop-a-Shot, and more games! Also, check out our daily drink specials! Our multi-story tavern is synonymous with celebrations of softball glory, charitable causes and night life in Forest Park. With the rooftop deck, video games and bar stools spread out over two floors, we are the largest bar in town. Having first opened in the 1950s, this watering hole has tons of local history. Doc Ryans offers something for everyone. We hope to serve you soon!
