

Thank you for visiting Hermosa!

By day, we are your neighborhood sandwich shop operating under the constant question 'Can You Sandwich It?' It is a quest to wrap our favorite dishes, such as our critically acclaimed Cambodian Fried Chicken, in a bun. Sandwiches, and other delightful dishes, can be ordered via the link below.

By night, we transform the room into your very own private dining space with Family Meal. It is a 7-8 course BYOB dinner for up to 8 guests. The menu is a seasonal take on the cuisine of Cambodian, with a few surprises. Below is a sample of the current menu.
