Keep the holidays easy this year with Wood's Take & Heat Holiday Dinner Dishes. Whether you are entertaining a friend or two, or just having a nice holiday dinner at home, we have you covered.

All items are pre-cooked in our kitchen utilizing our wood-fired oven and are simple to re-heat at home in your oven when you are ready with the included heating instructions. Each selection is sized to serve 2-4 people; plenty for 2 with some leftovers, but enough to please up to 4.

Our main course selections feature responsibly raised meats from [Slagel Family Farms](#) & [Catalpa Grove Farm](#), as well as seasonal produce from small farms throughout Illinois & Michigan.
